

# Agreement

I, [ ] (the “Researcher), hereby request a copy of the dataset (the “dataset”) for the Large-Scale Video Classification workshop collocated with ACM Multimedia 2017. The dataset was collected by the workshop organizers from Fudan University, China, the University of Maryland, USA, and Columbia University, USA. The dataset contains videos downloaded from the Internet. In exchange of the dataset access, I fully agree on the following terms and conditions with complete understanding:

1. Researcher understands that the copyright of the videos in the dataset fully belongs to their owners. In no event, shall Fudan University, the University of Maryland and Columbia University be liable for any incidents, or damages caused by the direct or indirect usage of the dataset by Researcher.
2. The dataset should be only used for non-commercial research and/or educational purposes.
3. Fudan University, the University of Maryland and Columbia University makes no representations or warranties regarding the dataset, including but not limited to warranties of non-infringement, merchantability or fitness for a particular purpose.
4. Researcher shall defend and indemnify Fudan University, the University of Maryland, and Columbia University, including their employees, Trustees and officers, and agents, against any claims arising from Researcher’s use of the dataset.
5. If Researcher is employed by a for-profit, commercial entity, Researcher’s employer shall also be bound by these terms and conditions, and Researcher hereby represents that he or she is fully authorized to enter into this agreement on behalf of such employer.
6. Researcher may provide research associates and colleagues with access to the dataset provided that they have also agreed to be bound by the terms and conditions stated in this agreement.
7. Researcher shall properly cite the given reference whenever the dataset is used.
8. Researcher shall blur all the visible faces in the image/video examples of the dataset used in his or her research or educational outcomes, including but not limited to research papers.
9. An electronic document, such as email, containing this form, from Researcher is regarded as an electronic signature on the form, which has the same legal effect as a hardcopy signature.
10. The organizers of the Large-Scale Video Classification workshop reserve the right to terminate Researcher’s access to the dataset at any time.
